RULES:

Individual Challenge Event:

- Individual Entry Fee is \$25
- All species must be caught with a fly rod and fly in Oklahoma.
- All participants must join the **All Fish All Oklahoma Fly Fishing Challenge** Facebook Group page.
- You must take a photo of the fish with something having your name on it, or as a selfie.
- Pictures must be posted with date of catch, place of catch and species claimed.
- Pictures must be posted to the Facebook Group **within one week** of the catch.
- The species claimed will be confirmed by the judges prior to updating the Tournament Board.

- All judges rulings are final.
- **It is not a race, so, pace yourself.**
- Catch and post pictures of all 15 species to be eligible to win the challenge.
- All catches are to be made in a legal manor obeying all Oklahoma fishing regulations.
- Snagged fish do not count.
- If an Individual is, also, participating in the Team Challenge Event, the Fish posting CANNOT be shared. i.e. Catching a Bluegill as a Team catch DOES NOT qualify as an Individual catch, also.
- If more than one person completes the challenge, the winner will be determined by random drawing at the September TU420 meeting.

Big Fish Competition: (Excluded from the Team Challenge)

- You must have purchased an Individual Entry to compete in this portion of the Challenge.
- This portion of the Challenge does not apply to Teams.
- Separate, non-monetary prizes will be awarded for largest fish of these species:
 - Rainbow
 - Smallmouth
 - Largemouth
 - Striped Bass
 - Sand Bass
 - Bluegill.
- For largest fish entries, carry a tape measure or bump board and include it in the picture, with your name, date and place of catch to qualify.
- Do the best you can when measuring and you may round up to the nearest quarter inch.
- The measurement must be legible for the Judges to see.
- You can log multiple entries. Enter your largest catch anytime you catch a larger fish than your first entry or anytime you catch a fish larger than the current holder of the slot.
- There are no Ties for these categories. Example: 2 people catch a 21 inch Largemouth. The first person to log their catch on the Facebook Group page will be awarded the slot. A 21.25 Largemouth must be logged to knock them out of the spot.

Team Challenge Event:

- Team Entry Fee is \$100.
- Team consists of 4 members.
- Teams will follow the same rules as the Individual Challenge Event with one additional rule:
 - Each team member must catch 3 separate species. If this is confusing, ask a judge to explain.
- If a Team member is, also, participating in the Individual Challenge Event, the Fish posting CANNOT be shared. i.e. Catching a Bluegill as a Team catch DOES NOT qualify as an Individual catch, also.
- If more than 1 team completes the challenge, the winner will be selected from the teams completing the challenge by random drawing at the September TU420 meeting.
