RULES:

- Participant must agree to pay the \$25 entry fee once they register the first catch on our closed FB page with the same name: **All Fish All Oklahoma Fly Fishing Challenge**.
- You must have a Facebook page.
- You must take a photo of the fish with something having your name on it, or as a selfie.
- You must state where the fish was caught. (a general description is fine ... Ark River, farm pond near Beggs, OK, Upper Illinois River is sufficient.)
- Pictures must each be posted to the Facebook Group within one week of the catch.
- It is not a race. You'll have all summer to complete the challenge.
- Complete all 15 Species to be eligible to win the challenge.

- If more than one person completes the challenge, the winner will be determined by random name draw in September.
- Separate prizes awarded for largest Rainbow, Smallmouth, Largemouth, Striped bass, Sand Bass and Bluegill. Carry a tape measure and include it in the picture, with your name to qualify. Do the best you can and you may round to the nearest inch. We don't want to kill fish to get an exact measurement. Enter your largest catch anytime you catch a larger fish than the first entry. In the event of a tie for largest catch in any species, the winner will also be drawn by random name draw.
- This is to be a FUN fundraiser and each individual participating is expected to be honest and all catches are to be made in a legal manor obeying all Oklahoma fishing regulations.

Team Challenge Event:

Register a 4 member angler team to complete the 15 fish challenge and win a hosted fishing trip on the Upper or Lower Illinois River. Team Entry Fee is \$100. Make your team with 4 of your friends and/or workmates.

- In the team challenge the only additional requirement is that each team member must contribute at least 3 of the species and post the catch properly labeled and otherwise identify the angler and the team with the catch.
- Anyone can participate as an individual or as a team mate, but a catch can only be counted one time, in the individual challenge or in the team event, but not in both.
- If more than 1 team completes the challenge, winner will be selected from teams completing the challenge by random drawing at the September OKTU/TFF meeting.

Contact Kelly Brown if you are interested in sponsoring a PHWFF veteran's team.

Oklahoma Fly Fishing and KB Outdoors will be providing the hosted trip on one of our great Oklahoma waters.
